

# Wanderers target is revenge

**WYCOMBE** Wanderers will be going all out for revenge tonight (Tuesday) when they entertain Athenian League, Division Two side Wokingham Town in their return Premier Mid-week Floodlight League match at Loakes Park (writes Stuart Earp).

The Blues crashed to a shock 2-1 defeat at Wokingham on November 28 and will be anxious to get back into scoring form after Saturday's 1-0 defeat at Stompond Lane, Walton and Hersham.

They have shown that goals are easy to score once in the Premier Mid-week League this season, when they outclassed Banbury United 8-0. A similar victory tonight would do much to lift morale.

Possible team changes are the return of Kevin O'Brien in goal, while Keith Jameson may also come back. Skipper John Delaney is unlikely to play, still troubled by his leg injury.

But one piece of sad news for Wycombe is the decision of Mick Ashwin not

to play regularly for Wycombe. Mick is at Reading University and has also been training with Shrewsbury Town, where he lives. He has decided to make his university football a priority, although he may turn out occasionally for midweek games.

Ashwin scored two fine goals against Banbury and looked extremely promising in the centre-forward role. Above all, he added height and weight to a Wycombe attack that has been overpowered in recent weeks.

It was the sort of hard, rugged football that gave Wokingham their victory over Wycombe in November. On that occasion referee Markham allowed Town a good deal of leeway and Wycombe consequently suffered.

Scorer of one of the Wokingham goals, Bob Weatherley was injured on Saturday when Town beat Dorking 3-0. Weatherley broke his shin bone and will be out for at least a month.

Former Wycombe favourite Charlie Gale has been

playing regularly in the Wokingham side in his new midfield position while forward Eric Lambden had a trial for Reading Reserves against West Ham Reserves on Saturday.

A convincing victory could well stand Wanderers in good stead for their Berks and Bucks Senior Cup campaign this season. Wokingham beat Maidenhead 1-0 in extra time and could well meet Wycombe in the later stages.

An early goal could put Wanderers on the way to a

much needed victory against a side whom they should beat with ease.
